

## Legends FC Overview

**Legends FC** (LFC) is a 501(c) 3 Non-Profit Organization. LFC is a professional youth soccer program created for players to have the opportunity to excel and achieve excellence in the sport of soccer.

**Legends FC** has been created through the recent merger of two local clubs, Glendora FC & FC Stampede. The merger will have Legends FC fielding over 50+ competitive boys & girls teams, a year-round development academy, and many other soccer programs.

### Legends FC Club Model

*Legends FC* is the first Club in Southern California to have a unique club model where you can start at the age of 3 and be developed through the professional ranks.

With the addition of the PDL & W-league franchises, players will have the opportunity to be developed at the highest level amateur soccer offers. The PDL team has already seen 6 players from the last 2 years' rosters go PRO!

### Legends FC Program Structure

- 7 Full time Coaching Directors overseeing all facets of the program
- 30 + professional coaching staff monitoring the development of the players
- 2 Goalkeeper Trainers to ensure that all GK needs are met
- 3 Full time Operational Directors to provide better organization
- LFC office available during regular business hours for better service to members
- Committed Board of Directors & Volunteer Committees

Through the *Legends FC* extensive year-round training program, we hope that each member will acquire a passion and confidence to take with them on to the soccer field and into their life. You can expect from our organization consistent, organized, and purposeful instruction from a full time, professional coach who monitors their progress daily.
